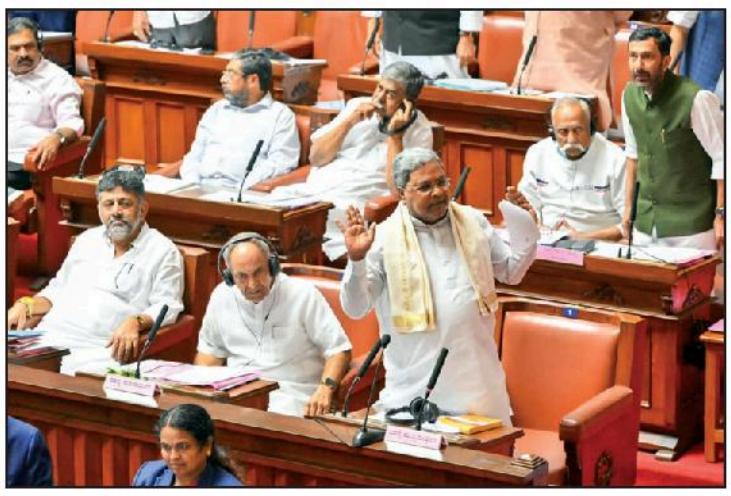
MUDA Site Scam

BJP keeps heat on CM

Plans Mysuru-Chalo padayatra from Bengaluru on July 29

Stages overnight protest at Legislative Assembly and Council



CM Siddaramaiah speaking at Legislative Council this morning.

Bengaluru, July 25 (KMS & BS)- The raging heat over 50:50 site scam at Mysuru Urban Development Authority (MUDA) and the persistent denial to allow discussion about the scam, in which Chief Minister Siddaramaiah's wife also is a beneficiary, at both the Houses of State Legislature, disrupted the smooth functioning of Legislative Assembly and Legislative Council, today too.

Legislators belonging to main Opposition Party BJP, joined by their coalition partner in the State JD(S), created a din demanding a debate on MUDA.

Interestingly, at the Legislative Council today, Chief Minister Siddaramaiah chose to issue some clarifications over the issue, sans any discussion, inviting the wrath of already fuming saffron party and JD(S) MLCs.

Amid this, Opposition Leader in the Assembly R. Ashoka and State BJP President B.Y. Vijayendra, held a meeting of the party MLAs at Ashoka's chamber in Vidhana Soudha, to discuss about their plans to take out a 'Mysuru-Chalo' *padayatra* from the State Capital, Bengaluru, on Monday (July 29).

The *padayatra* has been planned to keep the heat on the Chief Minister, with Mysuru being his native place and the epicentre of the alleged scam.

On Wednesday too, the ongoing monsoon session of the State Legislature was marked by a high drama in both the Houses, as BJP and JD(S) legislators insisted on allowing the debate on MUDA scam.

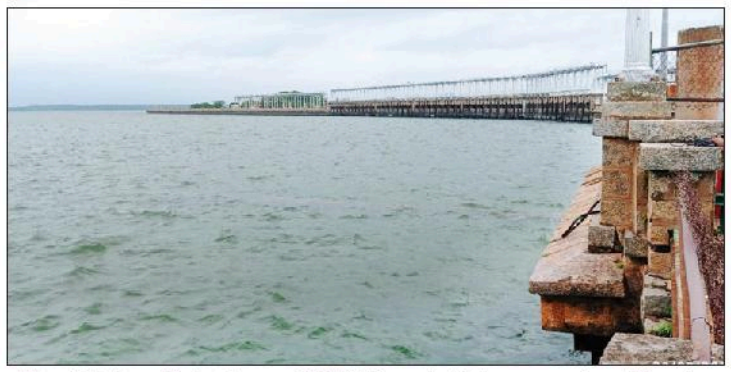
KRS, Kabini Dams full

- CM to offer *Bagina* at both reservoirs on July 29
- 50,000 to 80,000 cusecs water to be released today



The Krishna Raja Sagar (KRS) Dam in Srirangapatna, Mandya District, which reached its maximum level yesterday.

Mandya, July 25 (MR, BLU, VNS & BCT)- The KRS Dam across River Cauvery in Srirangapatna Taluk of Mandya District reached its Full Reservoir Level (FRL) of 124.80 ft yesterday, bringing cheer to people.

The full level is being maintained by Cauvery Neeravari Nigam Limited (CNNL) for Chief Minister Siddaramaiah to offer traditional *Bagina* to River Cauvery at KRS Dam on July 29 (Monday). Initially, the CM, along with Deputy CM and Water Resources Minister D.K. Shivakumar, was scheduled to offer *Bagina* on July 27 (Saturday).

As per the updated schedule, the CM will arrive in Mysuru tomorrow (July 26) evening and participate in various events. On July 29, he will offer *Bagina* at KRS at 11 am. CM's entourage will then proceed to Kabini to offer '*Bagina*' there in the afternoon.

Thanks to heavy rainfall in the catchment areas of Kodagu, there has been a steady inflow to Dam, reaching its maximum capacity of 124.80 ft. at 8 pm yesterday. The storage level stood at 48.475 tmcft (thousand million cubic feet) against the gross capacity of 49.45 tmcft.

SAST Regional Consultant Dr. M.N. Arpith feted

Marking National Doctors Day, Cauvery Heart and Multi-Speciality Hospital in city, felicitated Dr. M.N. Arpith, who was recently appointed as SAST (Suvarna Arogya Suraksha Trust) Regional Consultant, Mysuru Division. Dr. Arpith is seen with Chairman of Cauvery Group Dr. G.R. Chandrashekar and others.

EDITOR'S BOTTOMLINE

THE TAXING TRAIL: *As part of the process of filing my income tax return, needless to say, at the eleventh hour, I rushed to the bank to get my savings account pass-book updated. In a computerised public sector bank in the heart of the city, I expected the task to be over in a jiffy. My heart sank when I found myself standing at the end of a serpentine queue in the 'single window' counter. A cursory glance at the people standing before me clearly showed that they were there to remit or withdraw cash as well.*

My only comfort lay in the fact that the cashier was my neighbour. All that I could gain from my acquaintance was stepping out of the queue and standing at hand-shaking distance from him while waiting for my turn, as there was strict surveillance on my movement by all those standing before me.

When my turn came, I handed over the passbook. He mechanically accepted all the books, tapped them gently and put them under a huge pile of passbooks already given to him, requesting that the customers be seated. Meanwhile, he also accepted tokens from the customers who wanted to transact, accepting only three tokens at a time, then pausing to update five passbooks before resuming.

As we waited, one customer butted in with a query on the updation of know -your-customer or KYC, although there was a separate counter with the 'May I help you' board at the entrance of the branch. Not to be left out, the assistant branch manager, tapped the cashier's shoulder from behind, handing over a bunch of papers to be attended to.

"This is the condition every day, from 10 am to 3 pm. Two clerical staff members retired a month ago, but no signs of replacements so far," my friend muttered while mechanically counting the notes before placing them in the note counting machine for the third time, as it showed a different figure every time.

He then proceeded to update the passbook before handing it over to the customer, who, perusing it, wryly remarked, "It's time you replaced the toner; hope you have one!"

"Post pandemic, many in the IT sector have an option to work from home, if only we had something like that," he lamented, looking at the huge pile of cash that needed to be bundled and kept in the vault. Some wishful thinking on his part. —*M. S. Vaidyanathan in Deccan Herald*

NEWS SPARKLERS

Man lives frugally to retire early

Tokyo: A Japanese man shocked the internet after announcing that he managed to save 132 million yen ($6,40,000) over the last two decades with the goal of retiring early from his stressful job.

The unnamed 45-year-old man took to social media to announce that he had finally achieved FIRE (Financial Independence, Retire Early) after dedicating the last twenty years and ten months to this goal. He had a decent salary of around five million yen (32,000 dollars) per year, so instead of quitting his job and looking for something less stressful, he decided to push through all the hardships and save as much money as possible so he could retire early.

After more than two decades of extreme frugality, the man announced that he had achieved his revised target of 132 million yen ($ 6,40,000) in savings, allowing him to retire early.

Claiming disability benefits, woman runs marathons

London: A UK woman recently admitted to exaggerating her physical disability claims in order to receive bigger benefits, all the while competing in over 70 running events.

Sara Morris was diagnosed with Multiple Sclerosis in 2005, but four years ago she applied for Personal Independence Payment (PIP) by exaggerating the extent of her symptoms in order to claim £20,000 ($25,800) that she was not entitled to. According to the evidence in Court, the 49-year-old woman from Stoke on Trent claimed that she experienced difficulties getting out of the bath unassisted, lacked proper balance and didn't have the power to stand in front of the gas cooker. She was thus able to receive £2,292.63 in benefits per month, while also participating in 5K and 10K marathons.

REALLY...?

- *The first tiered wedding cake was made in 1858 for Queen Victoria's eldest daughter (who was also named Victoria). Queen Victoria's own wedding cake was a staggering three yards wide and weighed 300lbs, but it was just one tier. She was also the first person to use pure white icing on her wedding cake, which is why it's now known as royal icing.*
- *The world record for the largest number of candles on a birthday cake was set in 2016 by Ashrita Furman and the Sri Chinmoy Centre in New York, when 72,585 candles were lit. The cake was created to celebrate the birthday of meditation teacher Sri Chinmoy on his 85th birthday.*

LAUGHTER THE BEST MEDICINE

Beggar: Madam, please give me a cake instead of bread today.
Woman: Why?
Beggar: Because today is my birthday!

VOICE OF THE READER

The side effect of starting Vande Bharat Express at 6 am

Sir,

Recently, another Vande Bharat Express train was started from Mysuru at 6 am. It was published in *SOM* that Vande Bharat is of little use to the common man and a Jan Shatabdi or Amrit Bharat Express should be started instead.

Mysuru is considered a garage and a cleaning station. Due to the lack of space in Krantivira Sangolli Rayanna Bengaluru Station (KSR Bengaluru Station), trains are extended to Mysuru and presented as a service to Mysuru. Most trains are late. Even when they are on time, they are made to wait at the Goods Yard for 30-plus minutes.

On top of that, these superfast trains overtake normal trains, causing a delay of 30 to 45 minutes. 3,000 people are made to waste their time for up to 30 to 50 passengers in Vande Bharat Express.

Trains impacted

• **5 am Chennai Central:** This can be scheduled to reach KSR Bengaluru at 7.15 am. Instead, it is made to wait at Kengeri or Nayandahalli for Vande Bharat Express to overtake. Let Vande Bharat Express overtake at KSR Bengaluru as it reaches SBC at 7.45 am.

• **Shirdi Express:** This can be rescheduled to start at 5.20 am or so and reach KSR Bengaluru around 7.35 am, as it is non-stop. Currently, it is made to wait in Hejjala for 30 minutes.

• **Vishwamanava Express:** Starting at 5.40 am, it can be rescheduled to start at 6.05 am. It is currently made to wait in Yeliyur.

In summary, replace Vande Bharat Express with Shatabdi/ Jan Shatabdi/ Amrit Bharat. This can help many people, with a Shatabdi fare of around Rs. 350 and an Amrit Bharat / Jan Shatabdi fare of around Rs. 75 to 90 rupees.

With KSRTC buses reaching in 2 hours, taking a train that takes 3 hours and is called superfast, only 15 minutes faster than Vande Bharat Express makes no sense. Rather, it causes inconvenience to thousands of passengers.

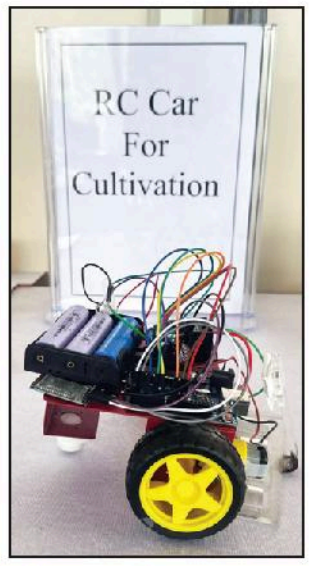
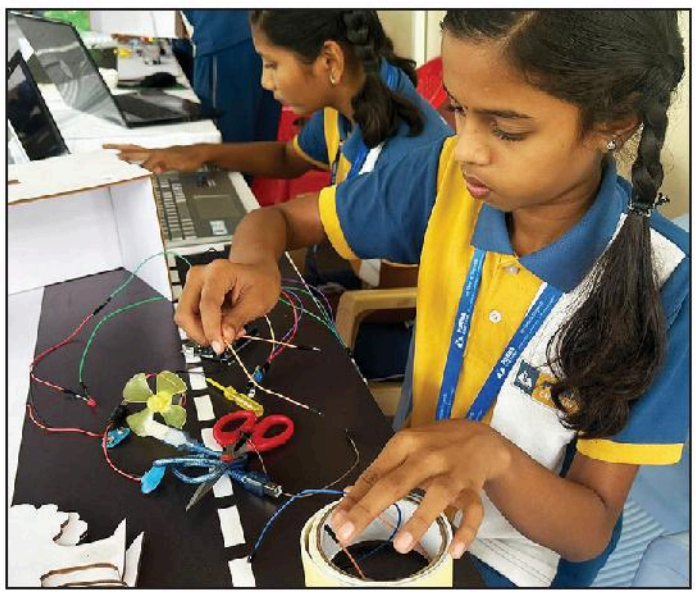
City school sets records with AI-driven smart village model





Mysuru, July 25 (BCT)- In a bid to find solutions to real-life problems faced in rural areas, 136 students from Purna Chetana Public School in Mysuru created a miniature model of a 'smart village' showcasing innovations driven by Artificial Intelligence (AI) and robotics.

The event, titled 'longest marathon of assembling robotic models by a team,' was held recently at the school and earned World Record titles from Elite World Records, Asian Records Academy, and India Records Academy.

Darshan Raj, CEO of the school, stated that the students were organised into 68 teams of two, working from 7 am to 11.52 pm on July 6, for a continuous 16.52 hours, completing their project. Out of the 68 teams, 66 qualified and were approved according to world record norms.

The students collaborated with local villagers to identify real-life problems and presented their solutions through the miniature smart village. They assembled 68 unique robotic models incorporating coding and AI technology.

Live musical concert at Open Air Theatre on July 26 and 27

Mandya Ramesh

Mysuru, July 25- A live musical concert titled 'Mysuru Parva -Musical Masti', has been organised by Dreams Inc Innovations Private Limited, Mysuru, on July 26 and 27 at Open Air Theatre in Manasagangothri Campus here. Entry for the public is free.

Yogeesh Uppara [Mob: 98868-18178].

Rent buildings for Minorities Hostels

Department of Minorities Welfare requires rented buildings for its three Post-Matric Boys Hostels of 100-capacity and two girls hostels of 100-capacity in the city, totalling five hostels. The buildings with minimum of 25 rooms should have adequate basic amenities like 24x7 water supply, 24x7 power supply, parking facility, solar system, library, computer and separate space for store room, along with better ventilation and light. It should also have kitchen, UGD and wash area. The other requirements include safety earthing, distance from electric poles and line. The building should not be located in prohibited area and free from the influence of bad habits. Building owners should have title deeds in their possession. For details contact Ph: 0821-2422088 or Mob: 82177-43399.

Chewing tobacco fake unit busted on city outskirts

Four arrested, goods vehicles, manufacturing equipment seized

Mysuru, July 25 (RK&KS)- The City Crime Branch (CCB) Police have arrested four persons on charges of manufacturing fake chewing tobacco of a well-known brand and have seized goods vehicles and manufacturing equipment from the illegal manufacturing unit.

On Monday, following instruction from CCB ACP N. Sandesh Kumar, Inspector K.C. Poovaiah and staff, raided a tea shop in Nazarbad, where people were smoking and penalised them. During the raid, the Police saw chewing tobacco sachets in the tea shop and on taking a closer look, the Cops came to know that the chewing tobacco sachets of a reputed company were fake.

When the Police enquired the shopkeeper as to from where he procures the chewing tobacco sachets, the shopkeeper is said to have told the Cops that a person supplies it to his shop daily. Even the shopkeeper did not know that it was a fake product.

The Cops then obtained the mobile phone number of the person supplying the chewing tobacco sachets and returned to their Office and informed the ACP.

ACP Sandesh Kumar, knowing the dangers of tobacco consumption and what could happen to those consuming the fake product, immediately formed a team comprising Inspector K.C. Poovaiah and others, called the supplier over the phone and ordered the chewing tobacco sachets. The supplier told them to come near Srirampura Ring Road Junction and collect their order.

The CCB Police, posing as customers, went to the said spot and waited for the supplier, who came to the spot after some time following which the Cops took him into custody and questioned him during which the Cops were shocked to learn about the fake chewing tobacco manufacturing unit at a shed near Kotehundi village on H.D. Kote Road.

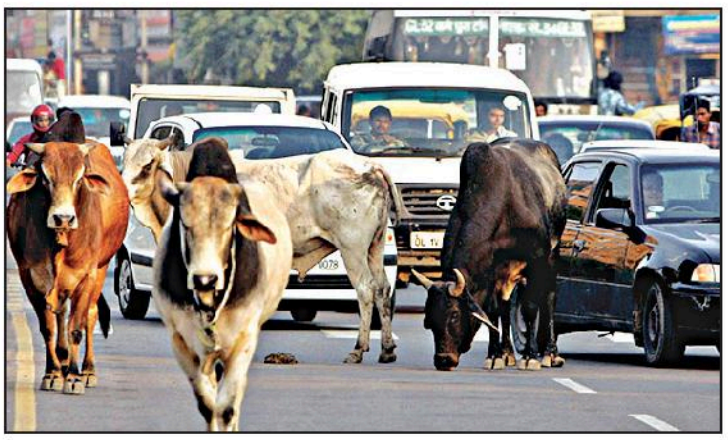
They also came to know that the fake chewing tobacco was being supplied to many shops in city, Kerala and other places.

The CCB Police, led by ACP Sandesh Kumar, without wasting time, raided the illegal manufacturing unit and saw three machines, raw tobacco sacks and other items. The machines were packing 40 to 50 sachets per minute. The Cops then took four persons, including the supplier, into custody besides seizing raw materials, packing materials, manufacturing equipment and two goods vehicles.

CCB Police have handed over the 4 accused to Nazarbad Police Station. Nazarbad Inspector Mahadevaswamy, who took the seized items into custody, registered a case and is investigating.

It is learnt that the illegal manufacturing unit at Kotehundi comes under Mysuru Rural Police limits and is operating since a year. It is surprising that the Rural Police have not come to know about it from a year, which raises doubts.

MCC warns cattle rearers



Mysuru, July 25 (KS)- Mysuru City Corporation (MCC) Commissioner Ashaad-Ur-Rahman Shariff, in a press release, has warned cattle owners not to let their cattle roam freely in public places and roads.

Pointing out stray cattle were hampering smooth flow of traffic and scattering garbage from bins while foraging for food, the MCC Commissioner stated that, though oral instructions were given to cattle owners many times, the owners were still letting their cattle loose in public places.

Following complaints in the interest of public safety, the MCC Commissioner has warned of catching stray cattle and penalising the owners, besides taking strict action against them.

Cow 'trap'ped

Mysuru, July 25 (SBD&KS)- A cow's leg was caught in a cow trap installed over a drain resulting in suffering for some time until Police personnel and public freed it. The incident took place on Male Mahadeshwara Road in Nazarbad here on Tuesday.

A cow trap (a shallow ditch with rails or bars laid across which are spread far enough apart to prevent livestock from crossing but not people or vehicles) has been installed on Male Mahadeshwara Road to allow rain water to enter the drain. A cow, which was grazing nearby, walked over the metal cow trap resulting in its legs getting stuck between the two metal pipes. It was unable to free itself, and was struggling which caught the attention of the public.

Meanwhile, public made attempts to lift the cow from the trap but in vain. They then called the Animal Husbandry Department but to no avail, following which the public and Police personnel managed to lift the cow and free its legs from the cow trap.

Meanwhile, Mysuru Hrudayavantha Kannadigara Balaga Founder-District President DPK Deepak said, cow is a sacred animal & is considered as Kamadhenu. He has urged cattle-rearers to think twice before letting their cows to roam freely on roads. He has also urged authorities concerned to initiate action against those letting their livestock to roam on roads and public places.

Sex Scandal: Court rejects Prajwal Revanna's bail application

Prajwal

Bengaluru, July 25 (Agencies)- A Court has rejected the anticipatory bail plea of former JD(S) MP Prajwal Revanna yesterday. The former MP is facing charges of rape and sexual harassment in multiple cases.

Judge Santhosh Gajanan Bhat of the Special Court for People's Representatives here, dismissed the anticipatory bail application in the second sexual assault case registered against him.

Four separate cases have been registered against the 33-year-old son of Holenarasipur MLA H.D. Revanna, all of which are being investigated by the SIT.

The cases of sexual abuse came to light after pen-drives containing explicit videos allegedly involving Prajwal Revanna were reportedly circulated in Hassan, ahead of Lok Sabha polls there on Apr. 26.

JD(S) has suspended him from the party following the cases filed against him and Prajwal Revanna is currently lodged in Parappana Agrahara Jail here.

To demolish or not to demolish

Devaraja Market and Lansdowne Building

By Dr. H.S. Sadath Ali Khan
Former Professor, Agriculture Marketing,
University of Agricultural Sciences,
Dharwad

Be Wise, Demolish

A million dollar question being faced by many intellectuals, politicians, bureaucrats and heritage experts of Mysuru city is whether to demolish or not to demolish Devaraja Market and Lansdowne Buildings, the two most prominent heritage structures located in the heart of the city. Now, it is high time that the Government of Karnataka and Mysuru City Corporation (MCC) take a prompt decision to deal with these buildings.

The shopkeepers should get their **legitimate** deal to run their businesses and MCC should get **proper rentals** from them. By delaying the issue, MCC will be losing huge revenue, which it should have got it by now. Meanwhile, the newly-elected Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar has in his very first interaction with the media, published in *Star of Mysore* dated June 13, 2024, expressed his opinion to retain both the heritage buildings, stating that "Devaraja Market, Lansdowne Building - Demolition not a solution and rather efforts must be made to conserve them as Mysuru is a heritage city."

It is true that Mysuru is a heritage city and people like to visit our city known as the 'City of Palaces' and 'Garden City' from all over the world. In case of Devaraja Market and Lansdowne building, many heritage and architectural experts, engineers and intellectuals over the past years have given their suggestions with respect to demolition, reconstruction and restoration of these two century-old structures. **But the big question that arises now is: How good is it to repair and restore the almost old buildings, which have already lost their strength, consistency and vigour?**

The buildings are in a dilapidated condition with damaged roofs and falling and plaster of ceiling flaking out. **In this condition, any new technology to restore the buildings by taking up plastering work, filling up the cracks and painting may last for about five to 10 years, and then what?** Take up the restoration works again, burning crores of tax-payers' money!

Being a senior citizen and a Mysurean, I would like to suggest that both the buildings should be demolished and reconstructed with modern facilities including two-wheeler and four-wheeler parking to avoid the congestion which is a problem being faced currently. At present, vehicles are seen parked haphazardly in front of Devaraja Market Road causing discomfort for the movement of other vehicles. This can be avoided by adding 1st and 2nd floors to accommodate more number of shops and giving opportunities to new shop-owners who in turn will provide job opportunities to people. This will also enable Mysuru City Corporation to generate more revenue.

Secondly, let us focus on the Lansdowne building, located opposite Mysore Palace and City Bus Stand. The Road behind Lansdowne building has literally turned into a public toilet, which has been the issue over the past few years and is nauseating. This issue can be addressed if the Mysuru City Corporation and State Government decide to demolish it and build a new one.

Our city is home for many reputed engineers, architects, heritage experts and intellectuals to guide the State Government and Mysuru City Corporation to retain the heritage design to the 'new buildings' if the authorities decide to reconstruct them.

Moreover, if any sensible and responsible person inspects the present condition of Lansdowne building, that person will definitely recommend for 'demolition' as it is beyond restoration or taking up repair works. It is also suggested to take expert views from the School of Planning and Architecture in Mysuru concerning the present condition of Devaraja Market and Lansdowne building.

Further, it is also recommended that MCC organises seminars and seeks public opinion with respect to future of these two heritage structures.

NOTE: *Star of Mysore* has covered these two buildings many times over two decades now. There is indeed vested interest groups obsessed with the idea of saving "heritage buildings." **— Ed**

Vijayanagar Sunday Farmers Shandy needs basic amenities: Farmer leader

Mysuru, July 25 (SPN&BS)- Karnataka Rajya Raitha Sangha (Samoohika Nayakatva) staged a protest in front of Heritage Farmers Market (Sunday Farmers Shandy) at Vijayanagar 1st Stage in city recently.

Raitha Sangha State Secretary Manju Kiran said, the market built by Mysuru Urban Development Authority (MUDA), to encourage farmers by creating a market for farm produces grown using traditional farming practices, are devoid of basic infrastructural facilities. The electric bulbs are unfit for use and the toilet lacks maintenance. The big drain nearby emits stench and the menace of flies, has been adding to the woes of the farmers here. The unabated growth of parthenium plants, has been making it difficult for the customers to park their vehicles.

Despite submitting several memorandums to MUDA to clean the market premises, the authorities turn a deaf ear. If this is the plight of the common man in the city, the hometown of Chief Minister Siddaramaiah, the plight of the people in other parts of the district, wouldn't be different, rued Kiran.

Apart from building a market to sell farm produces, the State Government should also take steps to create awareness about the benefit of consuming grains, among the people. The District Administration, should also act in this regard, he demanded.

The Waste Pit should also be built on the market premises, to dump leftover or unsold fruits, vegetables and leaves at Weekly Shandy. Steps should also be taken for disposal of waste, that would otherwise force the farmers to throw vegetables on roadside or vacant plots, said Kiran.

Farmer leader Murthy, Convener of Sunday Farmers Shandy Venugopal, Satish, Convener of Parisara Ulisi Samiti Kiran, Shankare Gowda, Thomas, Girish, Suresh, Chandrashekar, Prof. S. Shamsundar, Kariyappa, Sudharao, Vanika, Shashikala and others were present.

Gajapayana tender trouble

Rs. 4.25 lakh Vs Rs. 63 bid !

Forest Department cancels tender citing 'technical issues'; fresh tenders on cards

Mysuru, July 25 (MK&KS)- Problems have surfaced during the tenders invited by the Forest Department for transporting first batch of Dasara elephants from Veeranahosahalli to Mysuru during Gajapayana, leading the authorities to cancel the tender, citing technical issues.

The tender process was initiated to transport the Dasara elephants to Mysuru and back, covering an approximate distance of 600 km. Avinash of Srirama Transport submitted a bid of Rs. 4.25 lakh, while Shakib of Mount Hira Enterprises bid for Rs. 63. However, Shakib later clarified that his bid was Rs. 63 per kilometre, while the tender required the total amount to be mentioned.

The confusion arose as Avinash had quoted the total amount, while Shakib had quoted amount on a per-kilometre basis. The Forest Department officials, citing these technical discrepancies, called off the tender process.

Reacting to the situation, Avinash expressed his concerns, stating that his competitor Shakib had bid Rs. 63 for the entire transport task, which led to the cancellation due to supposed technical issues.

Avinash argued that, the bid amount should have been submitted as a total, not per kilometre, and felt that the cancellation was unjust. He claimed, "The amount to be quoted in the tender was supposed to be the whole amount, but now they are saying it is per kilometre. They are citing technical issues now. I feel we are being cheated."

Avinash also noted that Shakib had been the previous contractor for the task, typically transporting the elephants in a six-wheeler truck. He alleged that after submitting his tender application, the requirement was changed to a 10-wheeler truck, suggesting a potential bias towards the previous bidder. Avinash urged the Forest Department to either honour Shakib's bid as a total of Rs. 63 or blacklist him if the bid was invalid.

Meanwhile, Forest Department officer Santosh, speaking to *Star of Mysore*, stated that the Deputy Conservator of Forests (DCF) has the authority to cancel the tender process. This decision was made in the interest of fairness between the two bidders.

File photo

He added that since Gajapayana is scheduled for next month, a new tender would be floated soon, and the responsibility of transporting the Dasara elephants would be assigned accordingly.

BJP keeps heat on CM

(Continued from page 1)

The ruling Congress MLAs including the CM and Deputy Chief Minister D.K. Shivakumar stuck to their stand, with the fellow MLAs taking on the Opposition party MLAs, that led to a pandemonium. With no sign of normalcy returning in the House, Speaker of Legislative Assembly U.T. Khader adjourned the House twice, but in vain.

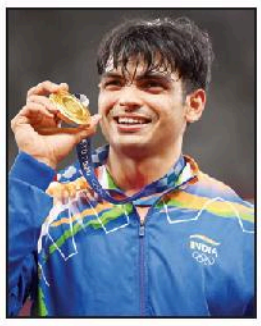
Following this, BJP and JD(S) legislators staged an overnight protest, refusing to take food and other facilities provided by the State Government. They staged a protest by beating cymbals and other musical instruments, singing songs to make a mockery of CM in relation to the scam.

Earlier in the day on Wednesday, as the House convened, Opposition Leader in the Assembly Ashoka, demanded a debate be allowed on MUDA scam, under Adjournment Motion, setting aside the Question Hour.

However, Speaker Khader assured to take a call on their demand for debate, after the conclusion of Question Hour. But, even after the Question Hour, Khader refused to entertain their demand for debate as assured, enraging BJP and JD(S) MLAs.

Paris Summer Olympics - 2024

Hopes high on Indian star athletes



Neeraj Chopra

P.V. Sindhu

Vinesh Phogat

Nikhat Zareen

Paris, July 25 (Agencies)- Neeraj Chopra, the reigning world and Asian Games champion, will headline India's efforts at the Paris 2024 Olympics starting from tomorrow (July 26) as he seeks to defend his men's javelin throw gold medal.

Neeraj, who made history as the first Indian to win an Olympic gold in athletics at Tokyo 2020, will compete on Aug. 6 and 8.

At the other end of the age spectrum, 44-year-old tennis star Rohan Bopanna will be the oldest Indian athlete at the Games, while 14-year-old swimmer Dhinidhi Desinghu will be the youngest competitor. India's campaign kicks off on July 25 with the archery ranking rounds, featuring a six-member team including Deepika Kumari and Tarundeep Rai.

Following a record-breaking performance at Tokyo 2020, where India won seven medals (one gold, two silvers, and four bronze), the country enters Paris 2024 with high expectations. The Indian men's hockey team, which ended a 41-year medal drought with a bronze in Tokyo, will aim to build on their success and provide a fitting farewell to legendary goalkeeper P.R. Sreejesh, who will retire after the Games.

Prominent athletes like weightlifter Mirabai Chanu, badminton star PV Sindhu, and boxer Lovlina Borgohain will also be key contenders. Young talents including hurdler Jyothi Yarraji, badminton players Lakshya Sen, Satwiksairaj Rankireddy, and Chirag Shetty, world champion boxer Nikhat Zareen, tennis player Sumit Nagal, shooter Manu Bhaker, athletes Avinash Sable, and wrestlers Vinesh Phogat and Antim Panghal, golfer Aditi Ashok will also seek to make their mark.

India has sent a total of 117 athletes to the Paris Olympics, second-biggest contingent at an Olympic Games after 121 athletes went to Tokyo in 2021. A total of 47 female and 70 male athletes will be part of the Indian contingent at the Games.

'Mystic Bond' wins

The Mysore Trophy Div. 1

Mysuru City Police Commissioner Seema Latkar presenting 'The Mysore Trophy Div-1' to P.M. Nanaiah, one of the owners (co-owner: Col. Kuldeep Singh Garcha) of 'Mystic Bond' which won the races on the 2nd day of Mysore Summer Races held at Mysore Race Club (MRC) yesterday. The winning horse, trained by M. Pratap Kamath, was ridden by Jockey T. Pavan. Also seen are MRC Chairman, Stewards and Committee Members.

Yaduveer urges Union Minister to take up pending road works

Mysuru, July 25 (BCT)- Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar met with Union Minister for Road Transport and Highways Nitin Gadkari in New Delhi yesterday to discuss various projects in Mysuru and Kodagu districts. He urged the Minister to prioritise and expedite long-pending works.

Mysuru-Kodagu MP Yaduveer Wadiyar with Union Minister for Road Transport and Highways Nitin Gadkari in New Delhi yesterday.

Bengaluru-Mysuru Section of NH-275

The MP requested the sanction of additional works to ensure road user safety, including:

1. Construction of a flyover: A flyover at Manipal Hospital Junction (Kempegowda Circle) to facilitate the merging of traffic with the Outer Ring Road and the Bengaluru-Mysuru access-controlled Highway.

2. Service roads: To regulate traffic heading to different destinations. Additionally, continuity of service roads through structures or Road Over Bridges (ROBs) should be ensured to facilitate local traffic movement.

Mysuru-Kushalnagar Section of NH-275

Yaduveer requested the expediting of land acquisition and statutory clearances for the Mysuru-Kushalnagar Section of NH-275. He emphasised the need to commence the works in four packages at the earliest for the timely completion of the project.

He also stressed the importance of expediting the disbursement of land acquisition compensation and urged the Minister to direct the concerned officers from the National Highways Authority of India (NHAI) to prioritise this process.

Kerala to Kollegal Section of NH-766 (old NH-212)

The MP called for a review of long-term black spot treatment measures. During a recent project review meeting, it was noted that the measures under progress by NHAI at Sri Ganapathy Sachchidananda Ashram (existing 4 lanes) and Kadakola Industrial Cross include constructing a vehicular underpass for two-lane traffic and junction improvements for the remaining two lanes.

However, Yaduveer highlighted that this might not be a feasible long-term solution for road safety. He requested that the NHAI review these black spot locations again and provide a proper solution considering future upgrades.

Upgradation to a 6-lane road

The MP pointed out that the Mysuru to Nanjangud section, which is 20-km long, has a traffic intensity of more than 40,000 Passenger Car Units (PCUs).

Key traffic-generating points include the Railway Container Depot, industrial areas like Kadakola, Thandavapura and Nanjangud, the bifurcation of NH-150A towards Chamarajanagar and traffic leading to Ooty.

Therefore, this section of the Highway requires upgradation to six lanes. Yaduveer urged the Minister to instruct the concerned officials to engage in a Detailed Project Report (DPR) for further studies for the six-lane upgradation.

NH-766 diversion at Mysore Airport

The MP also requested the Minister to expedite the DPR for the diversion of NH-766 at Mysore Airport in Mandakalli, necessary for the runway expansion at the Airport.

Bike rally to mark Kargil Vijay Diwas tomorrow

Mysuru, July 25 (KS) - Marking the Silver Jubilee celebrations of Kargil Vijay Diwas, the district unit of Akhila Karnataka Ex-Servicemen Association and Rotary Club of Heritage Mysore, have organised a bike rally in city tomorrow.

Announcing this at a press meet at Pathrakartara Bhavan here yesterday, Association District President K.P. Diwakar said that the bike rally will be held from 9 am to 12 noon in which about 500 people will participate. A stage programme will be held after the rally at Chikkamanikethana Kalyana Mantap in Kuvempunagar during which the family member of Martyrs will be felicitated.

Rotary District Governor Rtn. Vikram Datta, Mysuru-Kodagu MP Yaduveer Wadiyar, MLC C.N. Manjegowda, MLAs K. Harishgowda and T.S. Srivatsa, former MLA M.K. Somashekar and former MUDA Chairman H.V. Rajeev will be present as guests.

The bike rally, which will commence from Metropole Hotel Circle, will pass via Railway Station Circle, Government Ayurveda Hospital Circle, Sayyaji Rao Road, Gandhi Square, Chamaraja Wadiyar Circle, Jayachamaraja Wadiyar Circle, Gun House Circle, Chamaraja Double Road, Ramaswamy Circle, Saraswathipuram Fire Brigade, Kantharaj Urs Road, Vijaya Bank Circle, Somani College, Kuvempunagar Complex and Udayaravi Road to reach Chikkammanikethana Kalyana Mantap.

Mysore Armed Forces Ex-Servicemen Association, Mysuru, will be also be celebrating Kargil Vijay Diwas tomorrow in front of Field Marshal K.M. Cariappa's bust near Metropole Hotel Circle between 8.30 am and 9.30 am. There will be no procession, sweets will be distributed at the spot and victory slogans will be raised. MUDA Chairman K. Marigowda and Rotary Mysore North President Nagesh will be the chief guests.

Mandya DC reviews safety measures at Muthathi, Bluff

Malavalli, July 25 (BCT)- Following heavy outflow from the KRS Dam, safety measures have been implemented in Mandya district, particularly in tourist areas where visitors flock to see the swollen Cauvery and its waterfalls.

Mandya Deputy Commissioner Dr. Kumara visited Muthathi on the banks of the Cauvery near Malavalli and Shivanasamudra (Bluff) to inspect the safety measures. He was accompanied by senior district officials.

At Shivanasamudra, the Deputy Commissioner instructed the Police and Revenue Department officers to ensure a continuous Police presence to prevent tourists from engaging in risky behaviour.

With the allure of the cascading water, many tourists take photos and selfies and some might cross safety barriers. The DC emphasised that such behaviour must be prevented.

In Muthathi, a popular tourist destination, the Deputy Commissioner reviewed the precautions taken and directed the Police and local authorities to prevent visitors from approaching the River.

He also advised officials to warn residents in low-lying areas about the potential dangers associated with the release of water from the Dam. Visitors were urged not to enter the River for selfies, underscoring that safety precautions and advisories must be respected and followed.

KRS, Kabini Dams full

(Continued from page 1)

On July 24, 2023, KRS level was 95 ft and storage was 19.14 tmcft. This morning, CNNL Executive Engineer issued a press release stating that 50,000 to 80,000 cusecs of water will be released from KRS. The press release also warned residents in low-lying areas to move to safer locations.

During the peak summer months of April and May, concerns about drought arose as the storage levels in the KRS Dam had dropped significantly, causing severe water crises in Mysuru, Mandya, and Bengaluru. Meanwhile, Tamil Nadu (TN) persistently demanded its share of water legally, despite the critically low levels in the KRS and Kabini Dams.

The initial days of South West Monsoon brought inadequate rainfall despite promising forecasts. However, rains picked up after June 20, bringing substantial inflow to Harangi Dam in Kodagu, Kabini Dam in H.D. Kote and KRS Dam in Mandya.

By July 15, the reservoirs reached comfortable levels and the water levels continued to rise, with KRS Dam reaching its maximum capacity yesterday. Similarly, Harangi and Kabini Dams are now full. In H.D. Kote, along with Kabini, Nugu Dam is also full while Taraka Dam is yet to fill.

The water level at Kabini Dam this morning stood at 2,282.22 ft, just below its maximum level of 2,284 ft. The gross storage capacity of the dam is 19.52 tmcft, with an available storage of 18.37 tmcft. Due to continuous inflow, the Dam level is maintained two feet below the maximum level considering the structural safety. On the day of *Bagina*, the Dam authorities will maintain the maximum level.

CWMA meeting

Meanwhile, Tamil Nadu has received a relatively higher quantum of Cauvery water so far in the current water year (June 2024-May 2025). During its meeting yesterday, TN urged the Cauvery Water Management Authority (CWMA) to ensure that Karnataka supplies 45.95 tmcft in August.

As a result, the CWMA decided to convene a meeting of Cauvery Water Regulation Committee (CWRC) on July 30. The amount specified by TN aligns with the final award of the Cauvery Water Disputes Tribunal in 2007, which was modified by the Supreme Court in 2018.

According to data from Central Water Commission (CWC), as of July 23, TN had received about 39 tmcft at Biligundlu on the inter-State border since the beginning of the water year on June 1. Of this, approximately 26 tmcft was received between July 19-23, giving the State around 7 tmcft more than its allotted share.

VTU Inter-Collegiate Mysuru Division Badminton Championships

VVCE, GSSSIETW take home winner's trophy

Mysuru, July 25- Vidyavardhaka College of Engineering (VVCE), Mysuru and GSSS Institute of Engineering and Technology for Women (GSSSIETW), Mysuru, emerged winners in the men's and women's category respectively in the Visvesvaraya Technological University (VTU) Inter-Collegiate Mysuru Division Badminton Men & Women Championships 2024-25 organised by the Department of Physical Education and Sports Sciences, National Institute of Engineering (NIE), Mysuru, recently at NIE Diamond Jubilee Indoor Sports Complex here.

The Championships was inaugurated by Dr. Harsha Viman, Coach, National Badminton Player & PAN India Master's Games Silver Medallist. Dr. C. Vidhya Raj, Dean - Academic Affairs, NIE, Mysuru, Dr. M.P. Muralidhar, Mysuru Division Regional Director, Physical Education, VTU, R. Kavya, Physical Education Director, NIE South Campus and H.C. Sudina, Physical Education Director, NIE North Campus, were present. At the end of the day, prize distribution ceremony was held in the presence of Dr. S. Parameshwar, Head, Department of Electronics & Communication Engineering, NIE, Mysuru and Shivaji Rao Gaikwad, Public Relations Executive, NIE.

RESULTS

Men's Category — Final: VVCE, Mysuru beat PES College of Engineering (PESCE), Mandya 3-1; **Semi-finals:** VVCE, Mysuru beat NIE, Mysuru 3-1; PESCE, Mandya beat Coorg Institute of Technology (CIT), Ponnampet 3-1.

Women's Category — Final: GSSSIETW, Mysuru beat VVCE, Mysuru 2-0; **Semis:** GSSSIETW, Mysuru beat PESCE, Mandya 2-0; VVCE, Mysuru beat NIE, Mysuru 2-0.

COPS Hockey team wins

CISCE Regional-level Tourney

Gonikoppal, July 25- The U-17 hockey team of Coorg Public School & PU College (COPS), Gonikoppal, won the CISCE (Council for the Indian School Certificate Examinations) Regional-level Hockey Tournament held at Bengaluru recently by 1-0 against St. Joseph's European High School.

The lone goal for the winner was scored by M.S. Mayaan Muthanna. The team played against Clarance Public School in the qualifying match and won with an easy score of 6-0. Played semi-finals against Vidyashilp Academy and won by 2-0. The team continued its winning streak and won the finals against St. Joseph European School (1-0).

The stellar performance of the team was seen throughout the tournament and the team will now represent Karnataka in CISCE Nationals which will be held at Kalinga Stadium, Bhubaneswar, Odisha in the coming days.

K. Dhanya Subbaiah, President of the School Trust, was also present in the Stadium to inspire the team.

Management, Principal, Staff and students have congratulated K.N. Milan, Physical Director & Coach and also K.C. Biddappa for their best efforts.

Bags gold in State-Level Karate

Gonikoppal, July 25- K.R. Vasudev, a Class VII student of Coorg Public School (COPS), Gonikoppal, bagged the first position in Kumite Under 14 Category (60+ kgs) at the CISCE (Council for the Indian School Certificate Examinations) State-level Karate Championship held at the Christ School in Bengaluru recently.

The event saw an impressive turn out of Karate enthusiasts from around 140 ICSE schools in Karnataka showcasing their skills across various weight and age categories.

Vasudev will be representing Karnataka State in the CISCE National-level Karate Competition to be held in Uttar Pradesh in the month of September, 2024.

K.R. Vasudev

Selected for Badminton Asia Junior Championship 2024

Seen are** (from left) **Arun Pemmaiah, Diya Bheemaiah and B.P. Bheemaiah.

Mysuru, July 25- Mysuru's Diya Bheemaiah has been selected to represent India at Badminton Asia U-17 & U-15 Junior Championship 2024. The Championship, organised by the Badminton World Federation and Badminton Asia Confederation, is set to take place from Aug. 20 to 25 at Chengdu, China.

Diya, along with her partner Baruni Parashwal from Haryana, will compete in the Junior Girls Doubles U-17 category.

Hailing from Kodagu district, Diya has honed her skills under the expert guidance of Coaches B.P. Bheemaiah and Arun Pemmaiah at Sports Park Mysore.

Diya Bheemaiah is the daughter of B.P. Bheemaiah and Kusuma Bheemaiah.

WORD OF THE DAY

Sanctimonious

Pronunciation: sank-tuh-MOH-nee-us (Adjective)
Meaning: Someone described as sanctimonious behaves as though they are morally superior to others. Language or behaviour that suggests the same kind of moral superiority can also be described as sanctimonious.
Origin: There's nothing sacred about sanctimonious—at least not anymore. But in the early 1600s, the English adjective was still sometimes used to describe someone truly holy or pious, a sense at an important remove from today's use describing someone who acts or behaves as though they are morally superior to others. (The now-obsolete "pious" sense recalls the meaning of the word's Latin parent, sanctimonia, meaning "holiness" or "sanctity.") Shakespeare used both the "holy" and "holier-than-thou" senses of sanctimonious in his work, referring in The Tempest to the "sanctimonious" (that is, "holy") ceremonies of marriage, and in Measure for Measure to "the sanctimonious pirate that went to sea with the Ten Commandments but scraped one out of the table." (Apparently, the pirate found the restriction on stealing inconvenient.)
Example: "Smart and sincere but never sanctimonious, the awareness-raising drama doubles as a public service message of sorts." — Peter Debruge, Variety, 13 Mar. 2024

THE ODD WORD

Aeipathy

An enduring and consuming passion.

PHRASE OF THE DAY

Gilding the Lily

Meaning: The phrase 'Gilding the Lily' indicates that something has been unnecessarily decorated or over-embellished.
Origin: Some scholars believe that Shakespeare came up with the term 'Gild the Lily,' and that he did mention 'painting the lily' in his 1595 work, King John. The term 'Paint the lily' was used again in the 29th century, meaning the same as 'Gild the Lily.' The Newark Daily Advocate was among the first ever to put 'Gild the Lily' in print, apparently re-quoting Shakespeare: "One may gild the lily and paint the rose, but to convey by words only an adequate idea of the hats and bonnets now exhibited absolutely passes human ability."
Example: "You don't need to wear so much makeup; it's just gilding the lily."

QUOTE BOX

We live in a rainbow of chaos. **—Paul Cezanne**

RIDDLE THIS

A tree doubled in height each year until it reached its maximum height over the course of ten years. How many years did it take for the tree to reach half its maximum height?

Answer: Nine years.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
